

Book Keepers

Supplies

Shoe box (or sturdy box with an open top)
Colored paper (or paper that you color your self)
Glue
Scissors
Pencil

Optional Supplies

Felt
Stickers
Colored tape
Glitter glue

Directions

- 1) Cut with scissors the bottom portion of the box in half vertically to create two open-face cases. (Kids, you may need to ask for help with this step.)
- 2) Use a pencil to trace around the sides and back of each case onto a piece of colored paper.
- 3) Cut out the paper tracings and glue them onto the outsides of the cases.
- 4) Use a pencil to trace around the underside of the cases onto the felt. Cut out the felt pieces and glue them on to the underside.
- 5) Print out the pictures of Booker C. Gull, the star fish and the lighthouse. Cut them out and color them in.
- 6) Now glue on your pictures and add your own special touches to finish up your book keepers.
